

3.5mm Audio Cable 1m Vention BAWLF Black

3.5mm Audio Cable 1m Vention BAWLF Black

Ref: 6922794765962

Vention Audio Micro Jack 3.5mm to Micro Jack 3.5mm Cable 1m Blue

The Vention audio micro jack 3.5mm to micro jack 3.5mm cable combines exceptional durability, confirmed by its ability to withstand loads of up to 50kg and bend over 6000 times without damage. Thanks to its innovative step design, it can be plugged directly into your phone, even if it's equipped with a thick case, eliminating the need to remove it. The gold-plated connectors ensure crystal-clear sound, while the elegant aluminum finish adds class and style. It's a compact blend of durability, functionality, and design that will meet the expectations of even the most demanding users.

Reinforced Construction for Long-lasting Use

The Vention audio micro jack 3.5mm to micro jack 3.5mm cable not only looks stylish but also offers exceptional durability. Designed to meet everyday challenges, its robustness is confirmed by its ability to withstand loads of up to 50kg without the risk of breaking. Additionally, the cable is designed to endure over 6000 bends, making it not only reliable but also resistant to daily wear and tear.

User-friendly for Case Owners

Thanks to its step design, the Vention cable allows for easy and quick connection to your device, even if the user has a case on it. This is a solution appreciated by anyone who doesn't want to compromise on protecting their phone while using the cable.

Gold-plated Connectors for Excellent Sound Quality

Sound quality is a crucial aspect of audio cables, and the gold-plated connectors not only offer an aesthetic appearance but, more importantly, excellent signal conductivity. This ensures pure and flawless sound in any situation.
