Ref: 6922794765726

Vention Mini Jack 3.5mm Male to Mini Jack 3.5mm Female Cable, Blue, 1m

The Vention Mini Jack 3.5mm (BHCLF) cable combines technology with practical design. Its sturdy construction ensures long-lasting durability, and high-quality materials guarantee clear sound. Features such as microphone control support and thoughtful design make it the perfect choice for anyone who values both convenience and quality.

### Durable Interface Housing

The key to the longevity of any cable is its resistance to daily use. The Vention BHCLF cable has interface housing made of aluminum. This material choice not only provides an aesthetic look but also significantly increases the cable's durability, preventing it from breaking. This is especially important for people who frequently use portable devices.

### High-Quality Sound

The Vention BHCLF cable guarantees high-quality sound transmission. Whether you're listening to music, podcasts, or having a phone conversation, you can expect clear and crisp audio.

### Microphone Control Support

Headphone users will appreciate the built-in microphone control support. With the Vention BHCLF cable, you can not only listen but also

have conversations using the microphone in your headphones, without the need for additional accessories.

#### Thoughtful Design

The key element of the Vention BHCLF cable is its construction. The cable consists of an enameled copper core, a TPE outer jacket, and a cotton braid. This combination of materials ensures excellent conductivity and additional resistance to mechanical damage. Small details make a difference. The male plug of the Vention BHCLF cable has a special "step" that allows you to connect it to your phone without removing the case. This makes it quick and easy to connect the cable without worrying about compatibility with different device cases.
