TRRS 3.5mm Male to 3.5mm Female Audio Extender 2m Vention BHCLH Blue

Ref: 6922794765740

TRRS 3.5mm Male to 3.5mm Female Audio Extender 2m Vention

The Vention Mini Jack 3.5mm (BHCLH) cable combines technology with practical design. Its sturdy construction ensures long lifespan, while high-quality materials guarantee pure sound. Features such as microphone control support and thoughtful design make it the perfect choice for anyone who values convenience and quality in one.

Durable Interface Housing

The key to the longevity of any cable is its resistance to daily use. The Vention BHCLH cable has an interface housing made of aluminum. This material choice not only provides an aesthetic appearance but also significantly increases the cable's durability, preventing it from breaking. This is especially important for people who frequently use portable devices.

High-Quality Sound

The Vention BHCLH cable ensures high-quality sound transmission. Whether you're listening to music, podcasts, or having a phone conversation, you can count on clear and crisp audio.

Microphone Control Support

Headphone users will appreciate the built-in microphone control support. This allows the Vention BHCLH cable not only for listening but

also for conducting conversations using the headphone's microphone, without the need for additional accessories.

Thoughtful Design

The key element of the Vention BHCLH cable is its construction. The cable consists of an enameled copper core, a TPE outer jacket, and a cotton braid. This combination of materials guarantees excellent conductivity and additional resistance to mechanical damage. Small details make a difference. The male plug of the Vention BHCLH cable has a special "step" that allows you to connect it to your phone without removing the case. This makes it quick and easy to connect the cable without worrying about compatibility with various device cases.
