

USB-C 2.0 to USB-C 5A Cable Vention TAEHG 1.5m Gray

Ref: 6922794751064

USB-C 2.0 to USB-C 5A Cable Vention TAEHG 1.5m Gray

USB-C to USB-C Black 1.5 Meter Cable

There's nothing worse than a cable that quickly wears out. That's why the TAEHG model from Vention comes with a nylon braided sheath that protects it from daily wear and tear, bending, and twisting. This ensures that the cable will serve you for a long time.

Rapid Charging at 5A Voltage

With this cable, users don't have to wait long for their device to charge. The 5A voltage ensures lightning-fast charging. It's the perfect solution for people on the go who need their equipment ready to use at any moment.

Advanced Design to Reduce Interference

Vention prioritizes transmission quality. That's why the TAEHG model is constructed with bundles of tinned copper wires, surrounded by aluminum foil, a metal braid, and an outer TPE jacket. This combination of materials guarantees minimal interference while providing excellent data transmission quality at 480Mbps.

Reinforced Connector Housing for Durability

Even the best cable is useless if its connector is damaged. Thanks to the reinforced connector housing, the TAEHG model won't easily break, even when subjected to regular pressure during connection and disconnection.
