Puluz Photo studio background support

PKT5205 is ideal for both professionals and amateurs. The set will come in handy on many occasions, both as a background for live broadcasts and video recording. The product will also be used during photo shoots, for example, at weddings, baby showers, etc. The possibilities are almost endless!

Portable and robust design

Puluz has made sure that the tripod will serve you for as long as possible. The metal construction guarantees durability and strength. To adjust the height of the tripod, you just need to turn the knob on the tripod and then lock it. Assembly is a matter of minutes, without any additional tools. The foldable, lightweight design makes it easy to carry, so, you can take the PKT5205 with you anywhere you want.

3 colors to choose from

This set includes 3 fabric backdrops in green, red and blue color, so there is something for everyone. The dimensions of the backdrops are $3 \times 2.9 \,\mathrm{m}$, which increases the freedom of use. Depending on your preference, you can use the backdrops for photo shoots, vlog recording, etc.
