

Dual Port Car Charger Vention FFBH0 USB A+C(18/20) Gray

Dual Port Car Charger Vention FFBH0 USB A+C(18/20) Gray

Ref: 6922794761643

Car charger

Travel without worrying about your devices running out of power. The Vention car charger is equipped with two fast charging ports - USB-A 18 W and USB-C PD 20 W. It supports an input voltage range of 12-24 volts, making it a reliable accessory for any type of vehicle. The sturdy aluminum construction and LED indicator are additional features that make using the charger convenient and hassle-free.

Safety first

The Vention car charger is not only about fast charging, but also about the safety of your devices. The FFBH0 is equipped with a number of safety features, so you don't have to worry about excessive current, power, or voltage. The charger also protects your batteries from overheating and short-circuiting.
