USB-C Wall Charger Vention FADW0-EU (20 W) White

Vention FADW0-EU USB-C network charger (20 W, white)
Vention's network charger features a USB-C port and offers up to 20 watts of power, providing fast and safe charging for a variety of devices. It supports PD protocol. It stands out for its wide compatibility and durable design.

Fast charging
You no longer have to waste time waiting for your devices to be charged and ready for use. The Vention charger supports fast-charging protocols such as PD 3.0, QC 4.0, QC 3.0, QC 2.0, AFC, FCP, and BC.1.2, which significantly speeds up the power recovery process. As a result, it is as much as 3 times more efficient than standard 5W chargers.

Safety of use
Have confidence that your valuable devices are safe. The Vention charger is made of fire-resistant PC material and is not susceptible to high temperatures. It also provides protection against overvoltage, overcurrent and overheating. In addition, when the battery charge level of the connected equipment reaches 80%, it automatically starts back-up charging, which increases safety.

Additional perks
The charger's compact design makes it an ideal travel companion. You can easily stow it in your bag or backpack and take it anywhere to
