Multifunctional USB2.0 Card Reader Vention CCJH0 Gray

Ref: 6922794736542

Multifunctional USB2.0 Card Reader Vention CCJH0 Gray

SD and microSD Card Reader with USB-A/microUSB and USB-C
This card reader features a USB-C plug on one side, perfect for newer laptops and smartphones. On the other side, there is a USB-A plug that can transform into a microUSB plug when the cover is flipped, making it suitable for digital cameras and older device models as well.

Data Transfer Speed
With a data transfer speed of 480Mbps, transferring files between cards and your device becomes not only easy but also lightning-fast. In this age of large data volumes, this functionality is crucial, allowing users to save valuable time.

Compatibility with Various Devices
This card reader is designed to meet the requirements of various operating systems. It works seamlessly with Windows XP, 7, 8, 10, Mac OS, and Android. Additionally, for OTG functionality, your device simply needs to support "On The Go" technology, enabling the connection of additional devices to your phone.

Support for Multiple Card Types
Users don't need to worry about whether their card type is compatible with the reader. It supports Micro SD, Micro SDHC, Micro SDXC, SD/SDHC, SDXC/MMC, and RSMMC cards. Furthermore, the device supports cards with capacities of up to 256GB.
