

3 in 1 out HDMI Switch Vention AFJH0 with Audio Separation (Ref: 6922794740235 3 in 1 out HDMI Switch Vention AFJH0 with Audio Separation (Gray)

Vention AFJH0 3 in 1 out HDMI switch with audio separation (gray).

The Vention brand switch allows you to connect three devices to your screen and freely switch between them. You can play on your console one moment and change the view to your laptop screen the next, without having to unplug your cables. Wide compatibility makes you successfully use it with a variety of HDMI-enabled devices. Switch AFJHO supports 4K resolution, so you can enjoy the highest quality picture.

Practical equipment for your entertainment

This compact device has a fiber-optic port and a 3.5mm audio port, so you can also connect headphones and other audio devices to it. You'll also find a remote control included, with which you can freely switch channels even from a distance of 8 meters.
