Cooling pad Havit F2069

Cooling pad Havit F2069

Havit F2069 cooling stand

Take care of proper cooling of your laptop. The Havit F2069 cooling stand is equipped with 2 fans that operate at high speed. What's more, the device doesn't generate much noise and won't generate annoying hum. In addition, it stands out for its wide compatibility and offers a phone holder. You can also adjust its height to suit your needs.

Effective laptop cooling

The Havit F2069 stand offers 2 fans with a diameter of 125 mm, which provide effective cooling for your laptop. What's more, you can adjust their speed in the range of 1000 - 2000 rpm. As a result, your equipment will run smoother and more efficiently.

Height adjustment

Customize the stand to suit your needs. The product offers height adjustment, so you can adjust its position for greater comfort. Work and play comfortably with the Havit F2069.

Thoughtful design

The stand stands out for its wide compatibility - it fits laptops with screen sizes from 10" to 16". What's more, it offers colorful backlighting for the right atmosphere during gameplay. Besides, it is equipped with 2 USB ports - you can use one of them to power the
