### Tronsmart T6 Mini 2023 Wireless Speaker (black)

Looking for the perfect speaker for yourself? The T6 Mini from Tronsmart will be perfect for you! It stands out with its large battery that allows you to play as many as 500 songs on a single charge! What's more, thanks to its compact and lightweight design, you can take it with you on any trip. Enjoy your favorite songs wherever you are.

### Perfect sound

Tronsmart's T6 Mini speaker is a true masterpiece of sound engineering that will allow you to experience great omni-directional sound quality that fills the entire room. With the help of a passive heat sink and a special magnetic control system, the speaker delivers deep bass with unmatched clarity. You can also connect two T6 mini speakers wirelessly using True Wireless Stereo technology for an even more immersive stereo sound experience.

### Thoughtful design

The speaker is ultra-portable, so you can easily take it with you anywhere, such as to outdoor events, to the pool or on a trip. What's more, thanks to the latest Bluetooth 5.3 technology, the connection to the speaker is stable and seamless. With Tronsmart, you'll forget about cumbersome, tangled cables anymore!

#### Long working time

The device is rugged and waterproof, which means you can listen to your favorite music uninterrupted, even in the rain or while taking a bath. What's more, it is equipped with a large 2500 mAh battery. This provides more than 24 hours of playback, giving you more than 500 songs on a single charge.

#### Easy to use

The built-in microphone allows you to use the Siri voice assistant or Google Assistant directly from the speaker, making it even more convenient to use. In addition, the T6 Mini speaker uses Type-C universal charging, which means you can use the same cable as for other devices. This makes the Tronsmart device very convenient to use.
