Ref: 6936761804790

Orico USB 3.0 to RJ45 network adapter (black)

USB 3.0 to RJ45 network adapter Orico UTK-U3-BK-BP
Use high-speed Internet anywhere you want. Orico's USB 3.0 to RJ45 network adapter supports transmission speeds up to 1000Mbps and provides a stable connection. Lightweight and compact, you can always have it at hand. The device is also distinguished by its wide compatibility. You can successfully use it even to watch movies and play games. The adapter is also equipped with a practical LED indicator.

Get convenient access to high-speed Internet
Goodbye connection problems. The adapter supports 10M-1000Mbps speeds and features backward compatibility. Using it, you can enjoy fast and stable transmission. Using the Internet has never been more convenient!

Watch movies, play games, learn and work
The reliable performance of the adapter means that you successfully use it in many different applications. It will be great not only for work or study, but also, for example, while watching movies, providing you with a fast loading and smooth playback of excellent quality images. You can also play games on the Nintendo Switch in TV mode without worrying about lag. (Note: Switch only supports gigabit network cards).

Forget compatibility issues

The product features universal compatibility. You can easily connect it to most devices equipped with USB-A ports. The adapter works perfectly with laptops and computers from manufacturers such as Apple, Lenovo and ASUS. It is compatible with Windows, Mac OS and Linux, and thanks to the Plug&Play system does not require the installation of additional drivers - so its operation is fabulously simple.

You can always have it on hand

With the portable adapter, you can ensure you have high-speed Internet access almost anytime, anywhere. The device is lightweight and compact - its dimensions are only 16x71.6x27mm. Its integrated design with a 7.5cm long cable makes it easy to transport safely. Just put the adapter in your purse or backpack and take it wherever you need it!
