

Portable laptop monitor Mobile Pixels Duex Max deep grey 14"

Ref: 850001446495

Portable laptop monitor Mobile Pixels Duex Max deep grey 14"

Mobile Pixels Duex Max Deep Gray 14" Portable Monitor

Equip your laptop with an extra screen to make your daily use easier. The Mobile Pixels Duex Max Portable Monitor features a 14" Full HD display that delivers crisp, vivid colors. It offers wide system compatibility and a lightweight, foldable, durable design.

Powerful screen

The monitor is equipped with a 14.1" display, which is capable of displaying images in Full HD (1920 x 1080) quality. In addition, it guarantees clear, vivid colors and support for eye protection mode and automatic screen rotation. Bet on quality that you can see clearly!

Wide compatibility

The monitor provides wide system compatibility. It works with Windows and macOS laptops, Nintendo Switch console and Android (Samsung DeX technology support required). What's more, thanks to Plug&Play, the device can start working practically as soon as it is plugged in.

Thoughtful design

The monitor's lightweight and compact design guarantees extreme ease of transport and storage. High-grade ABS and aluminium

materials are responsible for high durability without achieving high weight. The included magnetic mounts provide a convenient way to mount it on a laptop case.
