

Powerbank Baseus Magnetic 10000mAh 20W, MagSafe (blue)

Ref: 6932172614607

Powerbank Baseus Magnetic 10000mAh 20W, MagSafe (blue)

Baseus Magnetic 10000mAh 20W Powerbank (blue).

Equip yourself with the capacious Baseus Magnetic powerbank, which features a USB-C port and also allows fast and safe wireless charging, with a maximum power of 15W. The powerbank supports the PD 20W fast charging protocol, and its capacity is as high as 10,000 mAh. A practical display provides information about the battery status, and thanks to the folding stand, the product works well as a phone holder.

Charge 2 devices simultaneously

Baseus Magnetic is equipped with a USB-C port, in addition to allowing wireless inductive charging - so you can use it to renew the energy of two devices at the same time. The USB-C port supports the PD 20 W fast charging protocol, while the inductive charger charges selected devices with a maximum power of 15 W. So you don't have to wait too long to charge the devices you need.

Impressive capacity

The Baseus Magnetic powerbank is distinguished by its capacity of 10,000 mAh, so you don't have to charge it too often and can use it to renew the energy of selected devices even several times. With its help you will charge the Apple 8 about 3 times, the Apple 12 about 2 times, and the Apple 13 about 1.8 times. Charging the powerbank takes about 3 - 4 hours.

Wide compatibility and fast charging

The powerbank will renew the energy of many different devices in a short time. You can charge wired with a maximum power of 20 watts smartphones or tablets. Inductive charging with a maximum power of 15W will be suitable for smartphones or AirPods.

Multi-level protection

The Baseus Magnetic powerbank is equipped with a number of solutions to protect the charged devices and ensure high safety of use. Among other things, the product has protection against overcharging, over-discharge, high temperature, overcurrent or electromagnetic field. It also has the advantage of a display that allows you to quickly and conveniently check its charge level. In addition, the product is compatible with international air transport standards, allowing you to take it with you almost anywhere.

Comfort of use

Thoughtful design of the powerbank makes you enjoy high comfort of use. The foldable stand allows you to comfortably place your phone at an angle and use your smartphone while wirelessly renewing its energy. What's more, you can place it vertically or horizontally. Also noteworthy is the product's small size (117.3 x 69.7 x 20.3 mm) and low weight at 220 g. Made of materials resistant to damage or fingerprints, it will serve you for many years!

Included

Powerbank

USB-C to USB-C cable

Manufacturer

Baseus

Model

PPCX000203

Battery

Lithium-polymer

Material

ABS + PC

Capacity

10,000 mAh / 3.85 V (38.5 Wh)

Rated capacity

5800 mAh (5 V - 3 A)

Energy conversion factor

≥75%

USB-C input

5 V - 3 A, 9 V - 2 A

USB-C output

5 V - 3 A, 9 V - 2.22 A, 12 V - 1.5 A

Wireless charger output power

5 W / 7.5 W / 10 W / 15 W

Total output current

5 V - 3 A

Dimensions

117.3 x 69.7 x 20.3 mm

Weight

Approximately 220 g

Color

Blue

Cable

USB-C to USB-C
Cable length
50 cm

Preço:

€ 50.90
