Torras UPRO Ostand Clear Case for iPhone 15 (Transparent)

Provide optimal protection for your smartphone and enjoy unparalleled comfort with the Torras UPRO Ostand Clear case. The accessory is equipped with a stand that allows for angle adjustment from 40° to 120° and also uses strong magnets. Thanks to its solid construction, it provides protection for the device in case of a fall.

Magnetic Construction

The Torras UPRO Ostand Clear case uses Halbach magnets, known for their reliable strength. You can freely use various magnetic accessories, such as chargers, or attach the phone to the refrigerator to comfortably cook while being assisted by professional recordings.

Guaranteed Protection

You no longer have to stress every time you drop your smartphone. The Torras UPRO Ostand Clear case provides military-standard protection, and reinforced corners and edges absorb shocks, protecting the device from the impact of hits.

User Convenience

The Torras case is equipped with a practical stand, which expands the smartphone's usability. You can adjust it from 40° to 120° for

comfortable movie watching or video calls.

Classic Design

The design of the Torras UPRO Ostand Clear case combines elegance and minimalism, highlighting the refined look of your smartphone. Its slim profile and transparent construction allow you to enjoy the original design of the device.
