

## Induction Cooker AMZCHEF CB16-BK

Induction Cooker AMZCHEF CB16-BK

Ref: 0715377738721

### AMZCHEF CB16-BK induction stove

The AMZCHEF CB16-BK single zone induction stove offers an impressive 2,000 watts of total power for fast and even cooking. Whether you're preparing a quick snack or an elaborate dinner, this stove provides the necessary conditions to prepare any dish.

### Intuitive operation

The stove is easy to use, all thanks to the touch panel. It is highly responsive, providing the user with the convenience and speed of adjusting settings. It allows you to easily control the cooking temperature and other functions, making meal preparation a simple and enjoyable experience.

### Elegant design

The AMZCHEF CB16-BK features an ultra-thin design that blends seamlessly into modern kitchens. Its compact dimensions (350 x 280 x 44.5 mm) make it a great solution for small spaces, offering energy efficiency without taking up much space. What's more, the stove was created with black polished crystal glass, which not only adds to its elegance, but also makes it scratch-resistant and fabulously easy to clean.

### Full control over cooking temperatures

With AMZCHEF, you can prepare your favorite dishes with ease. With a temperature range of 60 to 240°C and adjustable power from 300 to 2,000 watts, the stove is not only energy efficient, but also allows you to fine-tune the settings to suit your dish. Whether you want to gently warm milk or fry juicy steaks, the stove is up to any challenge!

#### Safety and smart features

Cooking with AMZCHEF is not only efficient, but also safe. The stove is equipped with advanced safety features, including overheat protection and automatic shutdown when you leave the burner on without a pot. In addition, an error code system alerts you if the temperature exceeds 280°C, preventing accidents and damage.
