

## Wall Charger Aukey PA-B4T, 2xUSB-C, 45W (black)

Wall Charger Aukey PA-B4T, 2xUSB-C, 45W (black)

Ref: 689323784721

Aukey PA-B4T mains charger, 2xUSB-C, 45W (black)

The Aukey PA-B4T mains charger is the perfect solution for those who value efficiency, speed and safety when charging their devices. Its power reaches up to 45W and supports a range of fast charging standards. It has 2 USB-C ports and thanks to the use of GaN technology, it provides even greater performance.

**Fast charging technology**

From now on, charging your devices will take even less time! The charger offers 45W of power and supports a range of fast charging protocols, including QC4.0+, PD3.0 or AFC. This will renew the energy of not only your smartphone or tablet, but even your laptop in just a few moments.

**Charge 2 devices simultaneously**

Discover even more convenience when renewing the energy of your devices! The charger is equipped with 2 USB-C ports, so you can charge two devices at the same time. You no longer have to choose which one to charge first, now both can be connected and ready to go at the same time.

**Maximum performance, compact design**

Ready for a breakthrough in charging? The charger is made with advanced GaN (gallium nitride) technology, which not only makes the charging process faster, but also more efficient. The technology has also reduced the size of the device by 30%, so you can easily take it with you anywhere, saving valuable space in your bag or backpack.

#### Safety first

Charge your devices not only quickly, but also safely. The charger guarantees maximum safety when in use - thanks to numerous safety features. They reliably protect against overheating, overvoltage and overcurrent. So you can be sure that your devices are safe!
