Aukey EP-M2 TWS wireless headphones (black)

The Aukey EP-M2 wireless headphones are the perfect choice for music lovers looking for reliable everyday headphones. Their 13-millimetre drivers deliver fantastic sound quality, and you'll be able to tailor their performance to your needs thanks to the available EQ modes. They have a run time of up to 20 hours with the case, and are easy to use with intuitive touch panels. They are IPX4 waterproof certified, so they will meet the needs of anyone with an active lifestyle.

Discover a new dimension in listening

Feel like you're at a live concert and let the music transport you into a magical world of sound. The headphones feature 13mm drivers that deliver sound with incredible clarity, bass depth and tonal clarity. Whether you are a lover of classical music, rock, hip-hop or electronic music, the headphones will provide you with an unforgettable musical experience.

3 EQ modes

The headphones offer 3 different EQ modes to tailor the sound to your preferences. Music Mode provides perfectly balanced sound, while Bass Boost delivers powerful bass that emphasises the rhythm and energy of any song. And if you want crystal-clear sound during phone calls, switch to Vocal Mode!

#### Seamless connection

The Aukey EP-M2s use advanced Bluetooth 5.3 technology, which is responsible for a stable and instant connection to your chosen device. You can forget about interference and delays! But that's not all - the headphones allow you even more freedom of choice. You can use one headphone while leaving the other in the case, or use both at the same time, giving you the full depth of stereo sound. You decide how you want to listen to your music!

#### Full control in your hands

Operating the headphones is easier than you think. They feature intuitive touchpads that put you in full control of your music or calls. Now you can control your music, take calls, change modes and much more with just a few taps. No longer do you have to reach for your phone every time - now everything is at your fingertips!

#### The comfort of your dreams

Aukey EP-M2 headphones will provide you with maximum comfort even when listening to music for hours on end. Their ergonomic design means they fit perfectly to the shape of your ears, and thanks to their light weight (3.5g), you won't even feel their presence. They are also IPX4 waterproof, so you can use them freely, whatever the weather conditions.
