Smartwatch Zeblaze Vibe 7 Lite (Black)

Ref: 6946639812697

Zeblaze Vibe 7 Lite Smartwatch (Black)

The Zeblaze Vibe 7 Lite is the perfect blend of functionality and style. This smartwatch features a large, colorful 1.47" IPS display with a resolution of 360 x 360 pixels and an impressive design. It offers a range of features that allow you to manage your daily tasks while also taking care of your fitness and health. It's the ideal device for those who value an active lifestyle! Get to know the Zeblaze Vibe 7 Lite and enjoy intelligent technology on your wrist.

Your Reliable Adventure Companion

The Zeblaze Vibe 7 Lite watch is built to withstand challenges. With its 3 ATM & IP69K water resistance and extreme temperature range (-40°C to 55°C), you can take it for a swim, trek in the rain, or explore winter landscapes without worrying about damage. Corning® Gorilla® Glass provides additional protection against scratches and impacts, while the sturdy zinc alloy case makes it an excellent choice for active individuals.

Health at Your Fingertips

The Zeblaze Vibe 7 Lite smartwatch is equipped with advanced health sensors, including a biometric OHR fusion sensor that monitors blood oxygen levels, heart rate, blood pressure, and more. Activity tracking features like step counting, calorie burn tracking, and real-time pace and distance tracking make it easier to achieve your fitness goals, providing daily motivation for a healthy lifestyle.

Sports Modes

The Zeblaze Vibe 7 Lite is also your personal trainer on your wrist. With a wide range of sports modes, including running, cycling, taekwondo, and ice skating, it's the perfect companion for any physical activity. The FitCloudPro app's tracking features allow you to customize your workouts to meet your individual needs. Whether you're doing yoga, strength training, or playing soccer, the Zeblaze Vibe 7 Lite accurately monitors your progress, making every workout more effective and goal-oriented.

Unlimited Connectivity and Communication

This smartwatch enables easy communication on the go. With Bluetooth BLE 5.2, the Zeblaze Vibe 7 Lite ensures seamless connectivity with both Android and iOS smartphones. Calling functions allow you to connect with a single touch, and you can easily access voice assistants. Furthermore, you'll receive phone notifications directly on your watch, ensuring you never miss an important message even when you're not carrying your smartphone!

Long-lasting Performance

Offering up to 25 days of battery life in power-saving mode and up to 345 minutes of continuous calling, the Zeblaze Vibe 7 Lite is always ready to perform. Its 280 mAh Li-poly battery charges quickly (in just 1.5 hours), ensuring uninterrupted support throughout the day.

Personalize Your Watch Face

You don't have to be tied to the look of your watch. With over 300 available watch faces in the FitCloudPro app, you can give it a personal touch. The 1.47-inch IPS display provides incredible colors, ensuring comfortable touch operation and easy access to all functions. Additionally, the smooth silicone strap complements the watch, making it even more comfortable to wear. Its wide adjustment range (130-235 mm) fits any wrist.

Additional Features

The Zeblaze Vibe 7 Lite is also a versatile device that gives you access to a stopwatch, timer, alarm, and more. From your watch, you can control your smartphone's music and camera, check the weather for the next few days, and more.
