Zeblaze Btalk 2 Lite Smartwatch (Black)

The Zeblaze Btalk 2 Lite smartwatch is more than a watch - it's a smart assistant on your wrist. Equipped with a powerful Realtek chip, a 1.39-inch color IPS display, and advanced health and activity monitoring features, it is the perfect combination of technology and style. Its IP68 water resistance and long-lasting battery make it a reliable companion in any situation!

Advanced health monitoring

Zeblaze Btalk 2 Lite is a personal support for your health. Equipped with a wrist-based heart rate monitor and oxygen saturation sensor, it allows you to continuously track key health indicators. The device will help you regulate your well-being with suggested breathing workouts, and features such as blood pressure measurement and cycle tracking provide a complete picture of your health, helping you take care of yourself every day.

Communication without borders

With calling features via a numeric keypad and voice assistant, the Zeblaze Btalk 2 Lite makes it easy to make calls and manage contacts without reaching for your phone. What's more, smart notifications make sure you won't miss important messages, calls or emails from loved ones or clients. But it doesn't stop there! Synchronizing the smartwatch with the weather will allow you to plan your day without surprises!

Your coach available around the clock

This smartwatch is the perfect partner for any physical activity enthusiast. Step counter, motion bar, automatic goals and measurement of real pace and distance are just some of the features that will help you achieve your desired results. A wide range of sports modes, from running to ice hockey, ensures customization for different types of activities.

Uncompromising comfort and style

The Zeblaze Btalk 2 Lite has a large, 1.39-inch display with a resolution of 360 x 360 pixels that provides comfortable access to all information. It allows you to personalize the look with more than 300 available dials. The lightweight yet sturdy design and soft strap make wearing the smartwatch very comfortable.

Long-lasting reliability

You can enjoy up to 14 days of use on a single charge with the Zeblaze Btalk 2 Lite, making it a reliable companion for travel and daily activities. Its IP68-rated extreme temperature and water resistance guarantees performance in almost any conditions.
