Smartwatch Zeblaze Btalk 2 (Black)

Zeblaze Btalk 2 Smartwatch (Black)

The Zeblaze Btalk 2 combines elegance and high performance. The 1.3-inch Ultra HD AMOLED smartwatch display with a resolution of 360 x 360 pixels and AOD mode support provides exceptionally clear and readable visuals. It's the perfect companion for both daily use and physical activities. Discover what it has to offer!

Always at Hand

With the Zeblaze Btalk 2, you always have access to important information from your phone. The smartwatch supports convenient voice calls, allowing you to answer, make, and reject calls without the need for your phone. It's the perfect solution for driving or outdoor activities.

Regular Vital Signs Monitoring

Now, monitoring your health is easier than ever. The Zeblaze Btalk 2 is equipped with a heart rate sensor that continuously monitors your heart rate every minute. Additionally, the device measures blood oxygen levels, which can help quickly detect any irregularities. It's invaluable support for your health.

Everyday Smart Features

The Btalk 2 also offers daily smart features that make your daily tasks easier and make you more efficient. Receive smart notifications for calls, SMS messages, emails, and app notifications from your smartphone without the need to constantly check your phone. You can also check the weather for the next few days and control music and your smartphone's camera right from your watch. It's incredibly convenient!

Activity Tracking and Sports Modes

The Zeblaze smartwatch helps you stay active and healthy. Step counting, calorie tracking, and activity tracking are perfect for monitoring your daily physical activity. Additionally, the watch offers various sports modes, including running, cycling, swimming, and many more, making it the ideal partner for your daily workouts.

Personalization and Durable Construction

The Zeblaze Btalk 2 offers various customization options, allowing you to change the watch face to suit your style. The wide range of available watch faces ensures you'll always find the perfect one for you. Additionally, durable materials such as aluminum alloy and stainless steel provide durability and elegance to the watch, allowing you to stand out in any situation.

Long Battery Life and Water Resistance

The watch is equipped with a 200mAh battery, providing long battery life. In typical usage mode, it can last up to 14 days. Additionally, it is water-resistant with an IP68 certification, allowing you to use it even while swimming.
