Propeller Guard Sunnylife for DJI Mini 4 Pro (N4P-KC712)

Sunnylife Propeller Guards N4P-KC712 for DJI Mini 4 Pro

Sunnylife N4P-KC712 is a propeller guard for the wings of the DJI Mini 4 Pro drone. One part of the set includes two interconnected guards for two wings, which protect them from multiple sides and help to reduce the impact of collisions and shocks on the device, as well as protect people and animals.

#### Method of Attachment

One guard is mounted on two arms of the drone, without obstructing the lights. It is secured by fastening a buckle. The installation is very simple and quick, and the guards themselves are extremely lightweight, not overburdening the drone.

#### Contents of the Set

Guard for two wings x 2
