Fast Charge Hub Insta360 X3

Insta360 X3 battery charging hub

Take care of an efficient power source for your Insta360 X3 camera. This will be helped by a charging hub that allows you to renew the energy of three batteries at the same time. The product is made of high-quality polycarbonate, and thanks to its compact design it does not take up much space. The hub has a USB-C port, and the charging status is indicated by practical LEDs. It takes 90 minutes to charge the batteries. The kit does not include a charging cable.
