Earbuds True Wireless Joyroom JR-DB1 (Purple)

Ref: 6956116783082

Joyroom JR-DB1 Wireless Earbuds (Purple)

Experience high-quality music for up to 8 hours on a single charge with the Joyroom JR-DB1 wireless earbuds. Equipped with 6mm drivers and a durable battery, these earbuds provide a total of 28 hours of usage when combined with the charging case. Additionally, each earbud pairs independently with your compatible device via Bluetooth 5.3, ensuring a fast and stable connection. The ergonomic design ensures comfort, and the touch panels allow for quick adjustments.

Impressive Sound Quality

Rediscover your favorite songs with the Joyroom JR-DB1 earbuds. These earbuds utilize 6mm drivers for high-quality sound, enhanced further by the use of pure copper for improved audio quality. As a result, you can enjoy a rich and bass-heavy sound experience.

Extended Battery Life

Each earbud is equipped with a 50mAh battery, while the charging case holds a 290mAh battery, providing up to 8 hours or 28 hours of usage, respectively. The package includes a USB-A to USB-C charging cable to replenish the earbuds' energy. After approximately 1.5 hours of charging, they will be ready for extended use.

Stable Lag-Free Connection

Enjoy your music without disruptions. The Joyroom JR-DB1 earbuds connect to your compatible device via Bluetooth 5.3, ensuring a stable connection and fast signal transmission without delays. Moreover, each earbud pairs independently with your smartphone, allowing you to use both or just one earbud at a time.

User-Friendly

The earbuds offer touch panels for easy control. With these touch controls, you can quickly and conveniently pause/play, reject/answer/end calls, skip tracks, or activate your voice assistant. The ergonomic design of the earbuds ensures long-lasting comfort, and the included ear tips in three sizes (S/M/L) allow you to further customize the fit of the Joyroom JR-DB1 earbuds.
