

**Magnetic Wireless Neckband Headphones, Joyroom JR-DS1, (Black)**  
Magnetic Wireless Neckband Headphones, Joyroom JR-DS1, (Black)

Ref: 6956116799687

Joyroom JR-DS1 wireless dock headphones (black).

Looking for wireless headphones that work for everyday use? The Joyroom JR-DS1 wireless headphones are sure to meet your expectations! They feature dynamic 13-millimeter drivers that provide excellent sound quality. They intelligently detect whether you have them in your ears - they automatically stop playback when you take them off and resume when you put them on again. The built-in display will let you know the remaining battery level, and the ergonomic design ensures dreamlike comfort even during prolonged use. Their operating time reaches 7 hours on a single charge.

**Sound that will delight you**

With Joyroom headphones, you'll experience previously unknown details of your favorite songs. With support for AAC and SBC audio codecs, the reproduced sound is clear and full of detail, and the 13mm drivers guarantee dynamic sound. No matter what kind of music you listen to, the headphones will give you an unforgettable music experience.

**Up to 7 hours of operation**

Listen to music for as long as you want without worrying about your headphones draining quickly. With a long-lasting battery, you can enjoy up to 7 hours of uninterrupted playback of your favorite music, as well as make phone calls for 5 hours. What's more, if you pair the headphones with a neckband, they can accompany you for up to 20 hours. Charging them will take you about 1.5 hours.

### Bluetooth 5.3

Forget about interference and lag! The headphones use the latest version of Bluetooth 5.3, which is responsible for stable and faster signal transmission at distances of up to 10 meters. Thanks to this, nothing will prevent you from listening to your favorite songs anymore.

### With your comfort in mind

The Joyroom JR-DS1 headphones are designed for maximum comfort. Thanks to their ergonomic design, you can listen to music even for hours without worrying about fatigue or discomfort. They perfectly fit the shape of your ears and do not fall out of them, the magnetic design allows you to hang the headphones securely around your neck.
