

Power Bank Joyroom JR-L016, 2.4A 10000mAh (Black)

Ref: 6941237100276

Power Bank Joyroom JR-L016, 2.4A 10000mAh (Black)

Powerbank Joyroom JR-L016, 2.4A 10000mAh (black)

The Joyroom powerbank with a capacity of 10,000mAh is designed to provide power in any conditions. Equipped with 3 cables, it will be perfect for powering smartphones and tablets. Its additional advantage is the built-in SOS alarm. In addition, the product is distinguished by its resistance to drops, water and dust, and the smart chip guarantees full protection of the equipment during charging. The device will also prove useful as a flashlight and offers 2 light modes. In addition, it meets international airline standards, and the carabiner makes it easy to carry.

Reliable source of energy

The powerbank provides a capacity of up to 10,000 mAh and comes with 3 built-in cables: Micro USB, Lightning and USB-C, making it widely compatible. As a result, you can freely renew the energy of a variety of devices, knowing that the JR-L016 will not let you down.

Guaranteed safety

Thanks to the smart chip, your equipment is protected every step of the way. A variety of protections, such as protection against overload, excessive voltage, surge currents, short circuit, over-discharge or extreme temperatures, guarantee the safety of your devices. The powerbank was created to accompany you on every adventure, so it is not only durable, but also resistant to dust, shock and moisture.

Additional features

In emergency situations, you can rely on the built-in SOS beacon, which calls for help with an alarm sound if needed. This is a unique safety feature that can prove crucial in critical moments. The Joyroom Powerbank also provides a reliable light source and supports 2 light modes - Strong light and Low light.

Included:

Powerbank with carabiner

Charging cable

User manual

☐Manufacturer

☐Joyroom

☐Model

☐JR-L016

☐Battery type

☐polymer-lithium battery

☐Battery capacity

☐10,000 mAh / 3.7 V (37 Wh)

☐Rated capacity

☐6000 mAh (5V = 2.4A)

☐USB-C input

☐5V=2.1A

☐USB-A output

☐5V=2.4A

☐USB-C cable

☐5V=2.4A

☐Lightning cable

☐5V=2.4A

☐Micro USB cable

☐5V=2.4A

☐Multi-port output

☐5V=2.4A (max.)

☐Material

☐PC ABS (flame resistant material)

☐Dimensions

☐150 x 72 x 21 mm

☐Weight

☐269 g
