Powerbank Joyroom JR-PBF02, 30W 20000mAh (black)

The Joyroom powerbank offers a capacity of 20,000 mAh and a power of up to 30 watts. It supports PD3.0 and QC3.0 fast charging protocols, and can be used as a flashlight thanks to its high-brightness reflector. The product is equipped with 3 output ports, allowing it to charge 3 devices simultaneously. In addition, an easy-to-read display indicates the battery level. The device meets international airline standards, so it can accompany you almost anywhere.

Fast charging

Get charging power of up to 30 watts and enjoy up to four times faster charging (compared to standard solutions). With the Joyroom powerbank, which supports PD 3.0 and QC 3.0 protocols, the time it takes to renew energy is significantly reduced, and your phone, tablet or laptop will be ready to go in no time.

Connect 3 devices

With 3 output ports, the Joyroom powerbank can charge 3 devices at the same time. No longer do you have to limit yourself and wait for one device to be charged so you can plug in another. Opt for convenience and say goodbye to limitations!
