Car dashboard holder Joyroom JR-ZS350 (Silver)

Ref: 6956116778132

Joyroom JR-ZS350 (Silver) car dashboard mount.

The JR-ZS350 is a car dashboard mount that can accommodate phones from 4.7 to 7 inches. Its most important features are three arms that keep your phone from falling out - two on the side of his at the bottom. Each of them is equipped with rubber caps that protect the phone from slipping out and from scratches. The holder can be used both vertically and horizontally to best suit your purposes. Another advantage of the holder is that it accommodates phones in a variety of cases.

### Sturdy construction

The holder was created from a durable material, which is a mixture of polycarbonate and ABS plastic - it is characterized by high resistance to high and low temperatures, as well as high hardness, which ensures that the products created from it will serve their owners for a long time.

### Elegant design

Joyroom JR-ZS350 features a practical design and an elegant finish created by glossy and matte plastic surfaces and a rounded smooth panel with a white manufacturer's logo. This mount will fit perfectly in the interior of your car.

### Versatility

The JR-ZS350 car mount has the ability to fit many phone models. It will accommodate devices from 4.7 to 7 inches, which is the size of most current phones.
