Cable USB Multi-Use Joyroom S-1T3018A18 3w1 / 3,5A / 2m (black)

The Joyroom S-1T3018A18 cable will allow you to charge 3 devices at the same time with impressive performance. It is equipped with 3 different connectors (USB-C, Lightning, Micro USB) and offers a total current of up to 3.5 A. It is also distinguished by its robust, heavy-duty construction. The cable also allows you to transfer files at speeds of up to 480 Mbps (on the Lightning connector), and is 2 m long.

Charge 3 devices simultaneously

Want to charge your iPhone, tablet and wireless speaker? You don't need to use additional cables anymore! All you need is one Joyroom cable with three connectors. With its help you can simultaneously connect 3 different devices for charging. In addition, the amperage of up to 3.5 A allows you to enjoy greater efficiency.

Improved design

The use of durable aluminum alloy and nylon braid makes the cable very durable and resistant to damage. Don't worry that it will refuse to serve you too quickly! The product also has a built-in smart chip that is responsible for automatically regulating voltage and current, minimizing heat generation. You no longer have to worry about overheating equipment!

### Fast file transfer

The possibilities do not end there. The Lightning connector of the cable also allows you to transfer files quickly - it provides speeds of up to 480 Mbps. This allows you to copy all the photos, videos or documents you need in a few moments. Long waits are a thing of the past!
