Ref: 6956116799359

Charger Joyroom JR-TCF06 Flash PD, 20W (black)

Joyroom JR-TCF06 PD mains charger, 20W (black)

Want to charge your devices quickly and safely? With Joyroom it will be possible! The mains charger allows you to charge with 20 watts of power, so your equipment will get full energy back in no time. What's more, it is distinguished by its compact size, which makes it easy to fit in your backpack or purse and take it on any trip. Enjoy unparalleled comfort of use with Joyroom!

Fast charging

The Joyroom AC charger takes charging efficiency to a new level. With 20 watts of power, it is able to charge your device to 60% in just 30 minutes. Thus, even a short moment of plugging in will provide your equipment with enough energy for a long time. When you choose Joyroom, you're betting on speed and efficiency.

Safety guarantee

Safety is one of the most important aspects of the Joyroom mains charger. Advanced protection mechanisms prevent over-current, over-voltage, over-temperature and short-circuit, ensuring stable and safe charging of your devices. In addition, the charger is equipped with a fireproof enclosure, which protects against the risk of electrical failure and fire." With security concerns, you can rest assured that your devices are in good hands.

User comfort

Joyroom network charger is the essence of comfort and practicality. Thanks to its wide compatibility, it works perfectly not only with phones from popular manufacturers, but also with iPads, handsets and other devices. Its compact dimensions of 26.5 × 40 × 62 mm allow for easy storage and transportation, making it the perfect solution for people on the go. With Joyroom, charging your devices becomes not only faster, but also more convenient.
