

USB data cable Joyroom S-1T4018A18 4in1 USB-C / Lightning

USB data cable Joyroom S-1T4018A18 4in1 USB-C / Lightning / 3.5A / 1.2m (black)

Ref: 6956116758622

Joyroom USB cable S-1T4018A18 4-in-1 / 3.5A/ 1.2m (black)

The Joyroom 4-in-1 cable with up to 3.5A enables data transmission and power restoration at the same time. It features USB-A to 2x Lightning, USB-C and Micro USB connectors, making it widely compatible. A built-in chip ensures safe use, and a light indicator lets you know the charging status.

Connect up to 4 devices

From now on, you can conveniently renew the power of 4 devices simultaneously with a single cable. The Joyroom product is equipped with USB-A to 2x Lightning, USB-C and Micro USB connectors, and the total power reaching 3.5 A is a guarantee of fast charging. In addition, a light indicator turns on during energy renewal, so you'll always be sure that the charging process is taking place properly.

Data transfer

The Lightning connector allows you to transfer data at 480 Mbps. As a result, you can conveniently transfer files and charge your devices at the same time. Bet on freedom and efficiency with Joyroom!

Safety of use

The built-in smart chip regulates voltage and current, controlling the temperature during charging. As a result, the renewal of energy

takes place with lower heat generation, which in turn is reflected in efficiency and durability. Now you can charge your devices in a comfortable and safe environment, while ensuring their long-lasting performance.

Manufacturer

Joyroom

Model

S-1T4018A18

Connector type

USB-A to 2x Lightning USB-C Micro USB

Function

charging/transmitting

Amperage

Lightning 2.4A, USB-C 2A; Micro USB 2A, Lightning USB-C Micro USB 3.5A

Transmission speed

480Mbps (Lightning)

Material

Aluminum alloy braided nylon

Length

1.2 m

Color

black

Preço:

Antes: € 4.6002
