4in1 Foldable Charging Station(Lightning) Joyroom JR-WQS02

4in1 Foldable Charging Station(Lightning) Joyroom JR-WQS02

Charge up to 4 devices simultaneously and make it easy to keep your desk or nightstand organized. The Joyroom JR-WQW02 charging station allows you to charge your iPhone, AirPods and Apple Watch, and with an additional USB-A port, you can connect a desk fan or small lamp, for example. The product also features a foldable design that makes it much easier to transport.

Charging 4 devices simultaneously

The JR-WQS02 is equipped with 2 Lightning connectors, so you can conveniently charge your iPhone and AirPods. You don't even have to take your phone out of the case! You can also use the station to charge your Apple Watch. A special panel allows you to do this - if you don't need it, you can simply detach it. You also have a USB-A port at your disposal - you can connect to it, for example, a desk lamp, a small fan or a speaker.

Thoughtful design

The station has a small built-in light indicator that goes off after about 15 seconds of charging - so you can put it on a table next to your bed without worrying that it will disturb you. The device will also help you keep your desk tidy - forget about tangled cables! In addition, the foldable design allows you to transport the product effortlessly. You can easily fit it in your purse, backpack or laptop bag and take it with you wherever you want.
