Cable Flash Charge USB to USB-C Joyroom SA26-AC36/ 100W / 1m (black

Cable Flash Charge USB to USB-C Joyroom SA26-AC36/ 100W / 1m (black)

The Joyroom SA26-AC6 cable allows you to quickly charge your devices. It offers a power output of up to 100W, allowing you to charge your selected equipment in a very short time. It also enables file transfer at speeds of up to 480 Mbps. What sets it apart is its durable construction and resistance to damage.

Fast Charging

Put an end to the prolonged wait for your devices to be ready for work. This cable enables fast charging with a power output of up to 100W, which means it can charge your phone or tablet in a very short time. It is also equipped with an intelligent chip that automatically adjusts voltage and current to maintain the temperature at the right level and protect the batteries of the connected devices from damage.

Rapid File Transfer

Joyroom SA26-AC6 offers not only efficient charging but also rapid file transfer. The cable provides a transmission speed of up to 480 Mbps, allowing you to quickly copy all necessary photos, videos, music, or documents. Say goodbye to long waiting times!

Durable Construction

Mobilemax - Gadgets and Accessories Rua Vasco da Gama n61, 8005-411, Estoi - Faro, Portugal (Continente) Telefone: +351962484153 (Chamada para rede móvel nacional) Email: info@mobilemax.pt

Don't worry that the cable will quickly get damaged and require replacement. The SA26-AC6 model is exceptionally durable and will serve you well for a long time. It is protected from breakage, tearing, and other types of damage by a durable PVC coating made of high-quality material.
