Are you looking for a practical and durable charging cable for your devices? Choose Joyroom SA26-AL3! This product provides a current of up to 3 A, allowing you to charge your iPhone or iPad in a very short time. It also enables file transfer at speeds of up to 480 Mbps - you don't have to waste too much time on that. The cable is also very durable - no need to worry about quick damage.

Fast Charging

With the Joyroom SA26-AL3 cable, you can quickly charge your devices in the blink of an eye. A current of up to 3 A will save you time! What's more, the built-in intelligent chip automatically adjusts voltage and current intensity to control temperature and protect the batteries of the connected devices from damage.

Enhanced Construction

The Joyroom SA26-AL3 cable will serve you well for a long time. Its connector has been reinforced, increasing its resistance to breakage. Furthermore, the durable PVC coating effectively protects the cable from damage - bending and pulling are no longer a concern.
